Long Distance Services: Available with local service. The following Long Distance Plans can be combined with the Spectrum Business Basic Local Service line on an account basis. The amount of long distance calling per plan is based on the total number of lines, per account, per location and not on a per line basis. Long Distance Service/Plans include Interstate calls to all 50 U.S. states, Canada and Puerto Rico. Intrastate calls include IntraLATA/local toll and InterLATA calls. Long Distance minutes to Alaska, Hawaii, Canada, Puerto Rico, intrastate long distance or calls to local providers charging more than the four then-current largest ILECs within the U.S., or Toll Free (800/888/877/866) minutes shall not exceed 10% of Customer's total Long Distance traffic with Spectrum in a one-month billing cycle. If Customer's Long Distance usage exceeds the 10% limitation in any one-month billing cycle, Spectrum shall have the right to suspend the affected Service(s) upon twenty-four (24) hours' notice (via telephone and/or email). Customer shall have seven (7) days to notify Spectrum that Customer has modified its long distance traffic to comply. If Customer violates this provision more than two (2) times within twelve (12) months Spectrum will have the right to terminate the respective Service Order and/or the Agreement. Calls are measured in six (6) second increments. Usage that results in a fraction of a cent will be rounded to the nearest cent. Per minute plans include the following:
